9. THE THIEVES

9:30 p.m. Nov. 30, \$6, The Melody Inn, (317) 923-4707

The November calendar at the Melody Inn closes with the return of The Thieves to the club's stage. Since their last visit, the Oxford, England, natives who now call Los Angeles home have released "Tales from the White Line." The Thieves are often compared to legends like the Rolling Stones and Led Zeppelin in their sound and swagger. Grand F**ing Canyon, nowheregoodfast and Blacklight Barbarian will also play.
